

Missouri University of Science & Technology Honors Academy Contracted Study Course

Name of Student:

Student ID:

Course for Contract:

Instructor:

Major:

Date of Graduation:

The following is to be provided by the student after consultation with the instructor. The completed contract must be received by the Honors Coordinator by Friday of the second week of classes to be considered for approval.

Terms of the contract:

1. What project(s) will you be undertaking in the course to be considered for Honors credit?
2. What do you hope to learn or achieve with these projects?
3. What is the total amount of time you will spend on these projects? (Generally, it is expected that the project(s) will require at least 20 hours of work over and above the regular course requirements.)
4. What aspects of these projects make them of honors caliber and how is that assessed?
